

EMBASSY OF THE
UNITED STATES OF AMERICA

December 2, 1977

AX 010

Dear Mrs. Deutsch,

Thank you very much for your letter of November 28th. I was especially pleased to hear about the possibility of excarceration for Alejandro and Liliana. Very good news.

Please send me a letter letting me know what the charges are against Alejandro and Liliana and what further legal developments are taking place. You don't have to send them registered.

I passed on your thanks to my colleague in the Embassy. He was very very pleased that his representation on your behalf was remembered.

We have updated the forms on Alejandro and Liliana and have submitted the form on Antonio. We will take only preliminary action on these requests at this time until your plans are more certain. However the action which we take now, will save us time later on.

My family and I will be on holidays for most of the month of December, please contact Mr. Hallman, the blond gentleman who you met during your last visit here.

I shall return in January hopefully with some fine fish.

Please keep in touch. I am greatly enjoying the water color which reminds me of my visit to Jerusalem in 1965.

Very best regards to you and your lovely daughters,

Sincerely,

F.Allen Harris
